MAP

For Naiku

Sengukan せんぐう館
The official museum of Ise Jingu. Highlighting the techniques and rituals of the 20-year rebuilding process of Ise Jingu's shrines. Everything from specific woodworking techniques and unique ceremonies to life size replicas of actual religious artifacts can be found here.

Gekumae Tourist Information
外宮前観光案内所
A variety of foreign language brochures and foreign language speaking staff are available here.

Bus stop for Naiku

Police

Bicycle rental レンタサイクル
Full day and 4 hour bicycle rentals are available for a small fee.

Ladder a child 柄杓童子
A long time ago, people who were physically unable to visit Ise Jingu could send dogs in their place. The statue depicts a child (symbolizing kindness) carrying a Shinto ladle while riding on a dog's back.

Post office

Tsuruya づるや

Historical Post Office
旧山田郵便局
The building was built in 1923 as a post office telephone branch.

made in 伊勢 (伊勢型紙染付体験)

Mask (famous cartoon character design) おめん
A variety of Japanese kid's masks line the displays with traditional Japanese wooden toys like Kendama and Daruma Otoshi for sale.

Fish tank 水槽
You can see different kinds of seasonal fish swimming in the street side aquarium.

Ise Washi Oriental lamp 行灯
A lone paper lantern, made from traditional Ise paper and bearing the mark of the sun, stands as a symbol of the gratitude of the locals for Geku (the outer shrine). The soft light coming through the multi layered paper creates a wonderful mood on the street in the evening.
